

**XR SERIES 3000 – End-of-Sale (EOS) | End-of-life (EOL) ANNOUNCEMENT**

APCON™ announces the end-of-sale and end-of-life dates for the XR Series 3000 product line, including the IntellaFlex series products. Many factors including market demands, new technologies, component availability, and resource constraints influence product life cycles. The last day to order any item from the XR Series 3000 product line will be May 31, 2024, based on availability.

Customers with active support contracts will continue to receive support as shown in Table 1 of this end-of-life bulletin. Table 1 provides the objectives, descriptions, and dates related to the end-of-life process. New and existing support contracts will be limited to security-only firmware updates, no new features or enhancements will be added. Furthermore, support contracts will include support for hardware advanced replacements (based on availability) as detailed in Table 1. Table 2 lists the product part numbers affected by this announcement.

**TABLE 1**

OBJECTIVE	DESCRIPTION	DATE
End-of-Sale Announcement Date	End-of-sale and end-of-life announcement of the XR Series 3000 product line is distributed to the general public.	April 30, 2024
End-of-Sale Date	The last date to order the XR Series 3000 through APCON. This product is no longer available for sale after this date (based on our ability to support our customers' installed base).	May 31, 2024
Last Shipment Date (Hardware)	This is the last possible ship date that can be requested of APCON for the XR Series 3000. The actual ship date is dependent upon lead time.	June 28, 2024
End of New Service Attachment (Support)	The last date to add support for XR Series 3000 to a <u>new</u> contract through the end-of-life date (based on our ability to support our customers' installed base).	June 28, 2024
End of Existing Service Attachment (Support)	The last date to extend support on <u>existing</u> contracts of XR Series 3000 through the end-of-life date (based on our ability to support our customers' installed base).	April 30, 2025
End-of-Support / End-of-Life	Support for the XR Series 3000 will phase out from 2024 through 2026 (based on our ability to support our customers' installed base).	April 30, 2026
